

Milesight NDAA Compliant Product List

Milesight NDAA Compliant Product List

Milesight Technology is pleased to affirm that our -PA series and -PD series product portfolio is NDAA (National Defense Authorization Act) compliant. These products do not use or deploy critical components including SoCs produced by NDAA banned component vendors. They are recommended for enterprises and critical applications where compliance is essential, such as government, defense, campuses, retails and a range of commercial applications subject to the NDAA.
